

ADR

Archives of Dental Research

Volume - 13, Issue - 2, Year - 2023 (www.adr.org.in)

Archives of Dental Research (ADR) is Official Publication of Swargiya Dadasaheb Kalmegh Smruti Dental College and Hospital.

Manuscripts must be prepared in accordance with "Uniform requirements" of the Archives of Dental Research as per guidelines by the International Committee of Medical Journals Editors (Updated December 2019). The uniform requirements and specific requirements of ADR are mentioned below. Before sending a manuscript contributors are requested to check for the author guidelines, which are available on [more...](#)

Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.adr.org.in/info/author> and be submitted by **2024-10-20**.

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
